To Whom It May Concern:

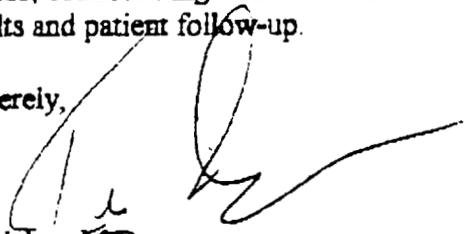

This letter to affirm that Paul Truong, M.D., received training and experience at our institution, Texas Cardiology Associates of Houston, in imaging and localization studies. The Preceptor ship began on September 2002 and continued until October 31, 2004.

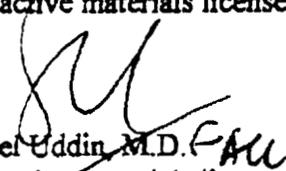

During this training program, Paul Truong, M.D. received not less than 500 hours of supervised work experience and not less than 500 hours of supervised clinical experience. The experience of Paul Truong, M.D. was gained under the supervision of an Authorized User.

The supervised work experience included ordering, receiving, and unpacking radioactive materials safely and performing the related radiation surveys; calibrating dose calibrators and diagnostic instruments and performing checks for proper operation of survey meters; calculating and safely preparing patient dosages; using administrative controls to prevent the misadministration of byproduct material; using procedures to contain spilled by product material safely and using proper decontamination procedures.

The supervised clinical experience included examining patients and reviewing their case histories to determine their suitability for radioisotope diagnosis, limitations or contraindications; selecting the suitable radiopharmaceuticals and calculating and measuring the dosages; administering dosages to patients and using syringe radiation shields; collaborating with the Authorized User in the interpretation of radioisotope test results and patient follow-up.

Sincerely,

  
Ira Lieber, M.D.
