we can discuss further @ the branch cal.

I had heller forward the new concern to you so we could act quickly if needed...

heller stated that it was clear to him and he believes hq allegations staff that hq's has the lead on ALL aspects of these allegations.

Since Terence will not be available for this discussion, I suggest that we conduct this discussion early Tuesday morning, perhaps after Bill gets his coffee..

I have modified my request to the CI asking that he be available for a telephone discussion on Tuesday Afternoon..
