Harold or Lakshminaras,

My Branch Chief (David Hills) and/or Division Director (Cindy Pederson) would like to participate in today's call with the licensee regarding there U1 head inspection.

However, the Region III managers cannot support a call between 10:30 am - 2:00 pm CST. Please let me know if you intend to set up a call with the licensee in a time frame which will allow Region III management participation. If this cannot be done, I need to know ASAP so that I can set up a separate call between RIII management and licensee managers.

Thank you.
