RE: Error Regarding Notification of Name Change, Pharmacia Corporation
Chesterfield, MO. NRC License No. 24-32439-01

Dear Materials Licensing Branch Chief:

On December 28th, 2004, we sent a letter to your office notifying you that Pharmacia Corporation was converted into a limited liability company. (See attachment #1)

On February 18th, 2005 we sent a letter to your office notifying you that the letter referenced above was sent in error and that the operating company remains Pharmacia Corporation (Wholly owned subsidiary of Pfizer Inc.) (See attachment #2)

I receive License amendment #2 dated April 1, 2005 from you. License amendment #2 changed operating company name to Pharmacia LLC.

I immediately contacted Ms. Colleen Carol Casey, NRC Materials Licensing Branch, upon arrival of License amendment #2 and indicated that the operating company remains Pharmacia Corporation (Wholly owned subsidiary of Pfizer Inc.). Ms. Casey indicated that letter dated February 18th, 2005 was never received by NRC and must have been lost in mail.

Please withdrawal License amendment #2 which is dated April 1, 2005. Effectively keeping the authorization of reference in the name of Pharmacia Corporation (wholly owned subsidiary of Pfizer inc.) for NRC License No. 24-32439-01.
