SUBJECT: NOTICE OF RETURN WITHOUT ACTION (RWA) APPLICATION

Dear Mr. Olson:

This refers to the application dated March 28, 2005, for a license to export precision balls to Urenco Inc. in The Netherlands. We have determined that the proposed exports are not among the items under NRC jurisdiction as described in 10 CFR Part 110 Appendix B 1.1, because they are not especially designed and prepared for use in a gas centrifuge enrichment plant. We are therefore, returning without action (RWA) your export license application and the check in the amount of \$1,200.00.

Please contact the Department of Commerce, Bureau of Industry and Security to determine whether the proposed exports are subject to licensing requirements set forth in the Export Administration Regulations. If you have further questions regarding this application or would like to discuss other NRC import/export licensing related matters, please contact Janice Owens at (301) 415-3684.

Sincerely,

/RA/
