Dear Dennis,

One of my constituents has contacted me regarding the shipment of plutonium across the Atlantic in October 2004.

I have enclosed a copy of my constituent's letter which outlines these concerns. I would appreciate it if you would forward any information you may have concerning this matter via facsimile (202-224-2725) to the attention of Chuck Stertz in my Washington office so that I may forward that information to my constituent.

Thank you for your assistance.

Sincerely,

Russell D. Feingold  
United States Senator

This is ridiculous that we are doing that without an environmental impact statement - at least.
