Re: Pending Applications

Dear Carlotta:

Thank you for contacting me regarding the four long standing pending applications filed by General Electric Nuclear Energy (GENE) and Global Nuclear Fuel-Americas, L.L.C. (GNF).

Per our conversation we are requesting the following:

1. XSNM02948: Please change the name of the licensee to: Global Nuclear Fuels-Americas L.L.C. No other change is required.
2. XSNM03066: Please change the name of the licensee to: Global Nuclear Fuels-Americas L.L.C. No other change is required.
3. XCOM1110: This application may be discontinued.
4. XR168: GENE lost this bid and, as such, the application is hereby withdrawn.

This should clear all pending applications for GENE and GNF.

Thank you.

  
Bryce MacDonald
