Re: Notification of Renewal of License for storage only  
 Material License No. 37-28413-02, Docket No. 030-33747

Attention: L.A.T.

On March 15, 2005, after considering the Involuntary Petition filed by the Petitioning Creditors and Joining Creditors and reviewing the pleadings filed to date, the United States Bankruptcy Court for the Western District of Pennsylvania decided that the case will be placed in a Chapter 11 proceeding. Margaret Good and The Meridian Group have been appointed as Chief Responsible Officer for the Debtor, subject to the terms and conditions of the Order. As CRO, The Meridian Group will discharge the duties of the debtor-in-possession and have the exclusive authority to dispose of or sell property of the estate consistent with the Bankruptcy Code and the Bankruptcy Rules.

This letter is to request the license renewal for storage only for the Glenshaw Glass Co. three (3) level gauging devices. This will be for the period of time during which a new owner of Glenshaw is found. If and when a new buyer is found I will then notify you to reactivate these units. If a new owner is not found then I will notify of what steps will be taken next.

If you have any questions or require additional information please do not hesitate to contact me at (412) 486-9100 ext.201.

Sincerely,

Dennis A. Weichel  
 Radiation Safety Officer
