 Is this just for Section Chiefs and above, or low-lives like ourselves? Eva and OGC would have to be there to explain their perspectives.

 I agree. I'm available 3/23,24,or 25 after 1PM.

 I believe a meeting is needed to discuss this topic as well as the schedule. I suggest we also use this as an opportunity to discuss draft rule language for the purpose of alignment. Meeting should take place as soon as possible. Attendees: Haney, Hannon, Treby, NRR PMs, appropriate SLs. Stu/John H - Do you agree?

David Diec - please let me know who will take the lead on scheduling the meeting.

 David:

I've conveyed my position and I think the onus is on the Staff, not Mr Treby. If they agree with our position no meeting is necessary. If they do not, they need to schedule a meeting with OGC. Indeed, I asked Cathy Haney this morning whether the Staff wants to have a meeting.
