SUMMARY
We have reviewed your letter dated November 12, 2004, requesting an amendment to your byproduct materials license and find that we need additional information as follows:

Dr. Lin submitted a copy of the Illinois Agreement state license he was named to. However, I do not have familiarity with the Illinois regulations and how they translate into NRC authorizations in 10 CFR Part 35. Also, you did not specify what you wanted Dr. Oscar Lin to become an Authorized User for. In addition, your letter did not state that Dr. Lin is licensed by a state to practice medicine, per 10 CFR 35.2.

Please provide:

1. Sufficient information such that the authorizations you want Dr. Lin to become an Authorized User for are adequately supported by the Illinois regulations and license he submitted;

2. Please specify what you want Dr. Lin to become an Authorized User for;

3. Please indicate whether Dr. Lin is licensed by a state to practice medicine, and if he is, which state is he licensed in.

For future reference, please always include a fax number for the contact person named in licensing correpondence.

Please note that on October 25, 2004, the NRC suspended public access to ADAMS, and initiated an additional security review of publicly available documents to ensure that potentially sensitive information is removed from the ADAMS database accessible through the NRC's web site. Interested members of the public may obtain copies of the referenced documents for review and/or copying by contacting the Public Document Room pending resumption of public access to ADAMS.

The NRC Public Document Room is located at NRC Headquarters in Rockville, MD, and can be contacted at 800-397-4209 or 301-415-4737 or pdr@nrc.gov.

ACTION REQUIRED

As I cannot issue an amendment at this time based upon the letter dated November 12, 2004, I am voiding your request. This is done without prejudice to resubmission at a later date. This will enable you to prepare a quality application without time constraints.

Please submit the requested information by referencing control number **313915** to facilitate proper handling. Upon receipt of your response we will resume our review. Address your written response to my attention at the above address.

PLEASE NOTE THAT A "VOID" IS AN ADMINISTRATIVE PROCEDURE THAT PUTS YOUR AMENDMENT REQUEST "ON HOLD" (TAKES IT OUT OF OUR ACTIVE CASEWORK DATABASE) UNTIL YOU REACTIVATE IT VIA A WRITTEN RESPONSE. IT "BUYS" YOU TIME TO PREPARE A QUALITY RESPONSE AND IS GENERALLY REGARDED AS A "GOOD THING."

PLEASE DIRECT ANY QUESTIONS YOU MAY HAVE TO ME AT 630-829-9841.
