Desc: This request pertains to a Honeywell facility operating in Metropolis, Illinois. I am seeking any information related to the release or leak of uranium hexafluoride (UF6) or any other nuclear or radioactive materials into the surrounding atmosphere, ground or water from 2000 through the present. There was a significant release on Dec. 22, 2003, and there are reports of other releases in 2002 and 2003. For Dec. 22, 2003, I am only seeking any materials that are not on your website. I have not seen information on any other releases on your website.
