2443 Warrenville Rd
Iisle, IL
60532-4352

April 20, 2005

attn: Ms. Deborah Hersey

Dear Ms Hersey,

We wish to inform you of a change in Radiation Safety Officer at our operation. This change affects the following U.S.NRC Materials Licenses: 21-03076-01 ammendment no. 54 . Effective immediately Walter John Lampi replaces the RSO listed on the license. A copy of Mr. Lampi's RSO training certificate is enclosed.

Further, be it known that: I, Walter John Lampi, have willingly accepted the appointment of Radiation Safety Officer for the sites covered under the Material Licenses mentioned above.

Walter John Lampi, RSO

Clifford T. Smith
V.P. and General Manager

Walter John Lampi

has successfully completed the Technical Short Course entitled

Radiation Safety Officer

March 7 - 11, 2005

Presented in Las Vegas, Nevada the 11th day of March
