<b>Subject:</b> Request for expedited action.		
<p><u>Summary:</u> Ms. Nevrincean called to request the status of a financial assurance action. Reviewing the database, I determined that the action had not been assigned. Ms. Nevrincean stated the licensee would like the action expedited since the bank was holding both letters of credit until the NRC informed the bank that the monies from the first letter of credit could be released. I checked with James Dwyer, Branch Chief, before assigning the action to myself.</p>		
<b>Action Required/Taken:</b> Place into ADAMS.
