MEMORANDUM TO: A. Kock
Allegation Coordinator, EICS

FROM: John M. Jacobson, Chief
Mechanical Engineering Branch (MEB)

SUBJECT: REVIEW OF INFORMATION FROM CONCERNED INDIVIDUAL;
RIII-2002-A-0005 (EXELON) (AITS S02-2175)

As requested by your memorandum, dated April 18, 2002, MEB personnel reviewed the letter dated March 27, 2002, from the Concerned Individual (CI) to the US Department of Labor, in order to identify new safety concerns or regulatory issues. Based on our review, no new concerns were identified, in that, the issue discussed in the letter was identified as Concern No. 13. in the subject allegation. However, this concern needs to be evaluated by the Allegation Review Board. The recommendation from MEB is to include this concern with the Office of Investigation's existing efforts under RIII-2001-A-0174, Concern 1.
