Subject: Draft letter report on risk-insights related to human actions

Attached is the Sandia draft letter report summarizing risk-insights to support the rulemaking for post-fire operator manual actions.

~~Please treat it as predecisional!~~

I will be on travel until end of September (my first day back is 10/1). I will be happy to meet with you to discuss and get feedback on the report at your convenience as soon as I am back.

thanks

Erasmia
