REGION IV SERP AGENDA

Thursday, February 26, 2004

Bridge No. — 817-276-4470

12:30 Central/1:30 Eastern

**Entergy Operations Inc., Arkansas Nuclear One, EA-03-016 (Fire protection)**

The purpose of this panel is to reach agreement on the final significance determination in this case. A draft letter to Entergy is attached. In the interest of getting a final significance determination letter issued to Entergy as soon after the panel as possible, verbal concurrence/comments on the draft letter at the panel would be appreciated. If you have comments prior to the panel, please send them to Rebecca Nease. For the panel's information, a copy of the previous SERP worksheet also is attached.
