RE: USA/9035/B(U)-85

Dear Ms. Osgood:

As discussed with you on 19 April 2005, AEA Technology QSA, Inc. requests renewal of the Type B approval referenced above. Renewal should be based on the documentation currently under review with our office as provided in our amendment request dated 30 September 2004 and supplemented on 06 October 2004 submission. The current Type B approval for this package expires on 31 May 2005. Additional information addressing the other issues discussed with you on 19 April 2005 will be provided under separate cover. If you need additional information or have questions, please contact me at 781-272-2000 ext. 241.

Sincerely,
