Dear Ms. Federline:

During review of the referenced March 4th NAC letter this morning in response to a phone call from Mr. Bernie White, I noted that the Notary Public had inadvertently not entered the specific day of signature witness on the statement of authorization that I had provided as an attachment to that letter. As the attachment to this letter, please find a completed copy of the authorization attachment with the completed witness date for your records.

Please accept my apology for any inconvenience that this over-site has created for you and if there are any questions regarding this letter, or additional information is required please contact me by phone at 678-328-1271, or by email at tdanner@nacintl.com.

Sincerely,
