Subject: license amendment

The licensee is requesting to add Gopal Sarngadharan as an authorized user. I requested the licensee provide additional information:
the names of the companies and/or universities where Mr. Sarngadharan worked with licensed material.
the time period (from:, to:) when he worked at each facility.
the maximum amount of activity per experiment as well as the maximum amount he may have possessed in his laboratory for each radionuclide he worked with.
the duration of the training sessions he attended at Princeton, Penn and NIH. Include information on any radiation safety training he has received at Signum Biosciences.

I asked the licensee to reply to my attention at the Region I office and refer to Mail Control No. **136695**. I told them to send a letter or fax to 610-337-5269. The cover sheet of the fax or the cover letter must be signed by the management representative for Signum Biosciences and the mail control number included.

In order to continue prompt review of the application I requested that they submit their response by Monday May 23, 2005.

Action Required/Taken: contacted licensee for additional information, awaiting response**Signature:**
