TELEPHONE NO.

Carol Lentz, proposed PSO for Parke-Davis Company 734-622-7000

SUBJECT

License No.: 21-01443-06 Control No.: 313588

SUMMARY

We have reviewed your letter dated 7/26/2004, requesting renewal of your byproduct materials license and find that we need additional information as follows:

The letter was incomplete in several key respects. It included an enclosure of a Radiation Safety Manual (PSM) - style document that failed to adequately support the renewal. However, it contained a lot of extraneous detail. Licensee agreed + asked for it to be excluded - it was.

NUREG 1556, Vol. 7 was not used at all to prepare renewal + it should have been. Vol. 11 was partially used.

The licensee explained that they had a consultant prepare this renewal and they are not happy with it either.

I renewed license for 6 mos. using current, all documents so licensee can resubmit renewal in entirety. Licensee agreed to this. I approved Carol Lentz as new PSO for this Type B Broad Scope program at this time.

I continued authorization for material in 7, 8 + 9 C, because renewal letter was silent concerning it. Licensee will probably direct us to delete it in revised renewal + support that request.

Also see cover letter + checklists.

— Please note that on October 25, 2004, the NRC suspended public access to ADAMS, and initiated an additional security review of publicly available documents to ensure that potentially sensitive information is removed from the ADAMS database accessible through the NRC's web site. Interested members of the public may obtain copies of the referenced documents for review and/or copying by contacting the Public Document Room pending resumption of public access to ADAMS. The NRC Public Document Room is located at NRC Headquarters in Rockville, MD, and can be contacted at 800-397-4209 or 301-415-4737 or [pdr@nrc.gov](mailto:pdr@nrc.gov).

ACTION REQUIRED

- (1) Submit the requested information within \_\_\_\_\_ calendar days (by \_\_\_\_\_, 2004) by referencing control number \_\_\_\_\_ to facilitate proper handling. If we do not receive an adequate response by this date, we may have to **VOID** the current action. Upon receipt of your response we will resume our review. Address your written response to my attention at the above address.

PLEASE NOTE THAT A "VOID" IS AN ADMINISTRATIVE PROCEDURE THAT PUTS YOUR AMENDMENT REQUEST "ON HOLD" (TAKES IT OUT OF OUR ACTIVE CASEWORK DATABASE) UNTIL YOU REACTIVATE IT VIA A WRITTEN RESPONSE.

- (2) As we cannot issue an amendment at this time we are voiding this request in order to enable you to prepare a quality application without time constraints. PLEASE NOTE THAT A "VOID" IS AN ADMINISTRATIVE PROCEDURE THAT PUTS YOUR AMENDMENT REQUEST "ON HOLD" (TAKES IT OUT OF OUR ACTIVE CASEWORK DATABASE) UNTIL YOU REACTIVATE IT VIA SUBMISSION OF A WRITTEN RESPONSE. IT "BUYS" YOU TIME TO PREPARE A QUALITY RESPONSE AND IS GENERALLY REGARDED AS A "GOOD THING."

PLEASE DIRECT ANY QUESTIONS YOU MAY HAVE TO ME AT 630-829-9841.
