

NRC-05-052

April 26, 2005

10 CFR §50.80

U.S. Nuclear Regulatory Commission
Attention: Document Control Desk
Washington, D.C. 20555

Re: Docket No. 50-305
Facility Operating License No. DPR-43
Kewaunee Nuclear Power Plant License Transfer
Notification of Management Changes

- Ref.: 1. December 19, 2003, letter from Larry L. Weyers, William D. Harvey, David A. Christian and Thomas Coutu to the U. S. NRC, "Application for Order and Conforming License Amendment to Transfer License"
2. February 18, 2004, letter from David A. Christian and Thomas Coutu to the U. S. NRC, "Supplemental Information in Support of Application for Order and Conforming License Amendment to Transfer License"

In the above referenced application, Dominion Energy Kewaunee, Inc. ("Dominion Energy Kewaunee") and Nuclear Management Company, LLC ("NMC"), with NMC acting on behalf of Wisconsin Public Service Corporation ("WPSC") and Wisconsin Power and Light Company ("WPL"), applied for NRC's consent and a conforming license amendment to transfer the facility operating license for the Kewaunee Nuclear Power Plant ("Kewaunee") to Dominion Energy Kewaunee. The NRC approved the license transfer in a letter dated June 10, 2004. In the license transfer application referenced above, it stated that "If Dominion Energy Kewaunee determines that any other senior management changes will be made contemporaneously with the transfer, it will ensure that any new manager meets all existing qualification requirements and will inform the NRC and provide the NRC with a résumé of any such new manager prior to the license transfer." Pursuant to this statement, this letter is to inform you of a change

A001

in management of the Kewaunee Nuclear Power Plant. Changes in the officers of Dominion Energy Kewaunee are also discussed below.

Site Vice President – Kewaunee

Mr. Thomas Coutu, the Site Vice President of Kewaunee listed in Exhibit G of the referenced license transfer application, has left his position at Kewaunee to pursue another career opportunity. Mr. Michael Gaffney will serve in the position of Site Vice President – Kewaunee for Dominion Energy Kewaunee at the time of license transfer. Mr. Gaffney's résumé and a revised Exhibit G reflecting the change in the Site Vice President position are provided in the attachment.

Dominion Energy Kewaunee Officer Changes

Certain company officer changes occurred within Dominion Resources, Inc., effective April 1, 2005, that resulted in changes to the officers of Dominion Energy Kewaunee. Consequently, Section III.D.2, *Directors and Officers*, of the Kewaunee license transfer application requires revision to reflect these changes. The specific changes are provided as follows:

- The following two individuals have been removed from the list of Dominion Energy Kewaunee officers:

<u>Malcolm G. Deacon, Jr.</u>	Vice President – Fossil and Hydro Merchant Operations
Citizenship:	United States
Business address:	Innsbrook Technical Center 5000 Dominion Boulevard Glen Allen, VA 23060

<u>David J. Rives</u>	Vice President – Fossil and Hydro Technical Services
Citizenship:	United States
Business address:	Innsbrook Technical Center 5000 Dominion Boulevard Glen Allen, VA 23060

These two individuals do not provide support or services to the nuclear business unit of the company and were therefore removed as officers of Dominion Energy Kewaunee, Inc.

If you have any questions concerning this information, please contact Mr. Gary D. Miller of Dominion Resources Services, Inc., at (804) 273-2771.

Sincerely,

Eugene S. Grecheck
Vice President – Nuclear Support Services
Dominion Energy Kewaunee, Inc.

Sincerely,

Craig W. Lambert
