Re: Adding Authorized Users; NRC License # 29-12611-01

To whom it may concern:

We request to add Warren Freitag, M.D., DABR to license # 29-12611-01 as an authorized user for 35.100; 35.200; Oral administration of sodium iodide Iodine 131 for imaging and localization studies. Enclosed is his diagnostic radiology board certification certificate and resume. He is currently listed on The City of New York Materials # 91-2932-01 in the same capacity.

In addition, please add Steven Zarny MD, DABR to the same license (29-12611-01) for 35.400. Enclosed is his radiation oncology board certification certificate and resume.

If you require additional information, please contact me at 908-668-2197.

Sincerely,

Nancy Fiamingo
License Administrator
Senior Vice President and Chief Operating Officer
