Subject: Withdrawal of Request for Extension on Performing Annual SNM Physical Inventory, SNM-1168, Docket No. 70-1201

Dear Mr. Gleaves:

On March 31, 2005, Framatome ANP (FANP) requested an extension on the due date for our annual SNM Physical Inventory. This request was made based on an unanticipated manufacturing issue which has since been resolved. With the improvements in our manufacturing schedule, the extension request is no longer necessary.

If you or your staff have any questions, require additional information, or wish to discuss this, please contact me at (434) 832-5276.

Sincerely,

Charlie F. Holman
