License Nos. DPR-42 and DPR-60

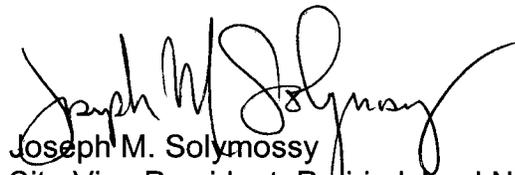

Withdrawal of 4th Ten-Year Inspection Interval Inservice Inspection (ISI) Program
Relief Request No. 1-RR-4-1

NMC submitted a proposed ISI program for the 4th ten-year inspection interval that included Relief Request No. 1-RR-4-1 on June 21, 2004. NRC staff recently informed NMC that, subsequent to the ISI program submittal, an approved rule change to 10 CFR 50.55a (b)(2)(xv)(C)(1) eliminated the need for this relief.

NMC hereby withdraws Relief Request No. 1-RR-4-1.

Summary of Commitments

This letter contains no new commitments and no revisions to existing commitments.
