SUBJECT: MAINTENANCE OF REFERENCE MATERIAL AT THE BUFFALO PUBLIC LIBRARY FOR THE MONTICELLO NUCLEAR GENERATING PLANT LICENSE RENEWAL APPLICATION (TAC NO. MC6441)

Dear Ms. Wittmann:

The U.S. Nuclear Regulatory Commission (NRC) staff appreciates the support of the Buffalo Public Library in assisting the public with participation in the NRC license renewal process for the Monticello Nuclear Generating Plant (Monticello). As discussed, your support would consist of providing shelf space in your reference section which would be used for making documents related to the NRC staff's environmental review of the Monticello license renewal application available to the public.

The Buffalo Library will be placed on our distribution list for documents and notices related to the application for license renewal at Monticello. Thank you for your cooperation and support. If you need additional information, please contact me at 301-415-3835. You may also email me at [JXD10@nrc.gov](mailto:JXD10@nrc.gov).

Sincerely,
