Re: Appointment of New Radiation Safety Officer
Geotech Environmental, Inc.

29-28286-02
03033171

Dear Dr. Lodhi:

This is to advise you that our new Radiation Safety Officer is H. Murat Arkan, P.E. He has replaced Steven R. Sahns who is no longer with our firm.

H. Murat Arkan is a graduate Civil Engineer with a M.S. Degree and has been properly trained by Troxler Electronic Laboratories, Inc., for the use of nuclear density gauge. He is also scheduled to attend the Troxler's "Radiation Safety Officer Training" course on April 21, 2005, to be held in Baltimore, MD.

In addition, please note that our two Senior Technicians, Ray Villareal and Hakan Yucel, have been registered to attend Troxler's "HAZMAT-Re-certification" session on April 20th, also in Baltimore.

We trust that this official notification is satisfactory for your purposes. If you have any questions, please call us.

Yours sincerely,

GEOTECH ENVIRONMENTAL, INC.

Cetin A. Okcuoglu, P.E.
President
