MEMORANDUM

As envisioned during an April 12 conference call and memorialized in our April 15 memorandum thereof, the three participants herein -- the Petitioner County of Suffolk, the licensee/applicant Dominion, and the NRC Staff -- filed with us last Friday, May 6, progress reports on the interaction among them that we had thought might enable the matter pending in front of us to be settled. From those reports, it appears that a scheduled settlement meeting had to be postponed but that rescheduling efforts, to which all parties are committed, are underway. Pending further order of this Board, two of whose members remain occupied with a more pressing matter, the parties are encouraged to continue their settlement efforts (and are to inform us as to the date of the meeting so that we can convene a conference call thereafter).
