RE: Amendment to NRC Materials License #47-00404-02, Cabell Huntington Hospital, Huntington, West Virginia, Control Number 136428

Please amend the above referenced radioactive material license to the following:

1. Please remove the following physicians as authorized users from our radioactive materials license.
 - a. Richard Ansinelli, M.D.
 - b. Dennis M. Burton, M.D.
 - c. Charles H. McKowan, M.D.
2. Add new Gamma Camera area in old waiting area, please reference the attached drawing.

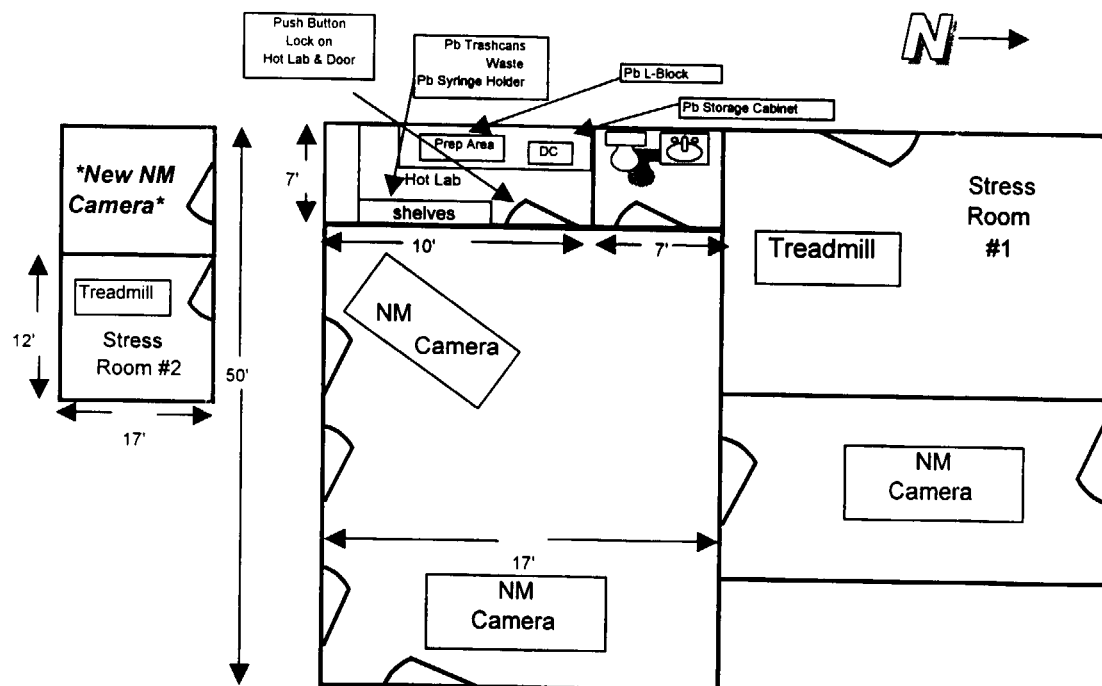

While waiting on the approval of our first amendment submission, the Nordion Gammacell 100 Elite Blood Irradiator purchase was cancelled. There are no immediate plans to purchase a blood irradiator. We hope this information is sufficient to grant our request for amendment. If you have any questions regarding this amendment request, please contact Fred Peatross at (304) 526-2079.

Sincerely,
Cabell Huntington Hospital
