Subject: Millstone SEIS Reference

Dear Mr. Emch:

In Section 4.10 of the Millstone SEIS, you reference the following source:

Adams, E.E. 2001. Thermal Plume Analysis for Millstone Power Station, Units 2-3. Massachusetts Institute of Technology, Cambridge MA.

We would appreciate the opportunity to review this study but have not been able to locate it. At your convenience, please provide a copy. We will gladly reimburse the NRC for copying and mailing charges.

Thank you.

Nancy Burton
