MEMORANDUM TO: Jack Strosnider, Director
Office of Nuclear Material Safety
and Safeguards

FROM: Larry Camper, Director */RA by DGillen for/*
Division of Waste Management
and Environmental Protection

SUBJECT: PAPER TO BE PRESENTED AT ANS MEETING IN DENVER,
COLORADO, AUGUST 7-11, 2005

Per Management Directive 3.9 and NMSS Policy and Procedures Letter 1-39, attached is a paper entitled "NRC Plans to Prevent Future Legacy Sites."

This paper summarizes the results of staff review of the license termination rule, as directed by the Commission. There are no significant implications or new or unresolved policy issues in the paper nor does the paper include classified, sensitive unclassified, or nonpublic information.

The paper will be presented by Claudia Craig of my staff.

Approval of the paper should be indicated below and returned to Claudia Craig.

Approval of paper for submittal and presentation

Jack Strosnider, Director, NMSS
