Subject: Millstone 1/11/05 Transcript

Dear Mr. Emch:

The Connecticut Coalition Against Millstone intends to be guided in part by the transcript of the January 11, 2005 public meeting convened by the NRC in Waterford, Connecticut, on the draft EIS as it prepares its formal written comments due on or before March 2, 2005.

Unfortunately, the transcript has not yet been made available.

This is, therefore, a request that an additional 30-day comment period be allowed for formal written public comment, with the extension to commence on the date the transcript is posted on the NRC website.

Thank you for your assistance.

Sincerely,

Nancy Burton
Connecticut Coalition Against Millstone
