Dear Mr. Emch:

The Connecticut Coalition Against Millstone is disappointed that you have not answered any of our emails, nor returned our telephone call, nor responded to our request that you telephone us, regarding queries about the draft Environmental Impact Statement (Millstone) for which you are responsible.

We are anticipating that we will encounter difficulties in preparing our comments in time for the NRC's March 2, 2005 deadline without the information we have requested from you.

Please contact us today by email or telephone (203-938-3952).

Thank you.

Nancy Burton
