RE: License number 29-00170-03

03005224

Dear Dr. Lodhi,

This letter will serve to document the intent of Bell Laboratories, Lucent Technologies in Murray Hill, NJ to remove a laboratory from the above referenced license.

The researcher previously occupying the laboratory space of 1F-101F is no longer employed with the company and as such there is no need to continue to use the space for radioactive materials research.

Integrated Environmental Management, Inc. will perform the testing for deactivation of the laboratory and equipment. It will be completed over a 3 day period (May 4 through May 6, 2005). The required paperwork, including the Form NRC-314, will also be completed and submitted prior to the end of the calendar 3rd quarter of 2005.

If you have any questions, please contact me at (908) 582-6439.

Thank you,

Zella L. Sasnett
