Re: Documentation of Training and Experience of Michael Boriss, M.D. as Authorized User

Dear Mr. Thompson:

As Radiation Safety Officer/Authorized User on Nuclear Regulatory Commission License No. 37-28333-01, I have observed/reviewed Michael Boriss, M.D., in such a capacity that I can document that he has received adequate clinical training and experience to qualify as an Authorized User.

As Radiation Safety Officer/Authorized User, I have supervised Dr. Boriss from September 2003 to present. Dr. Boriss has performed and/or read the following number of clinical procedures under my supervision:

- a. 12 resting Gated Blood Pool (MUGA)
- b. 1000 Sestimibi/tetrofosmin Exercise/pharmacologic SPECT scans

Dr. Boriss has exceeded 500 hours of clinical experience.

Please call me directly at 610-667-2746 if you have any additional questions.

Sincerely,

Wayne V. Arnold, DO
