RE: Amendment to Materials License ^{3 AS} 27-01893-01 03003013

Dear Sandy,

In accordance with Part 35 regulations, I am writing to request an addition to our most recent license amendment request (mail control #136782) to add Richard Kostick, D.O. as an authorized user for material and use 35.100 and 35.200; in vitro studies. Enclosed is a copy of a New York State Radioactive Materials License listing Dr. Kostick as an authorized user, as well as his American Osteopathic Board of Radiology Certification.

Should you have any questions or require any additional information, please do not hesitate to contact me directly at 570-882-4453.

Sincerely,

Mary N. Mannix, FACHE

Materials License No. 421
DH No. 04-167

Dear Mr. Kostick:

Enclosed is Amendment No. 44 to New York State Department of Health Radioactive Materials License No. 421, which incorporates the following changes:

1. You have been named as Radiation Safety Officer. As Radiation Safety Officer, you should become familiar with Part 16 of the New York State Sanitary Code (copy enclosed) and with the conditions of the license, including documents incorporated by reference in Condition No. 11.
2. D. Eugene Martin, M.D., has been removed from the list of authorized users.
3. Your letter, dated March 31, 2004, has been added to Condition No. 11 of the license. This letter describes the new nuclear medicine department.

If I may be of assistance, please contact this office at (518) 402-7590 or:
