

June 10, 2005

Mr. David I. Maurstad, Acting Director
Mitigation Division
Emergency Preparedness
and Response
Federal Emergency Management Agency
500 C Street, SW
Washington, DC 20472

Dear Mr. Maurstad:

I am designating Mr. Dan E. Martin, of my staff, as the Acting Dam Safety Officer for the U. S. Nuclear Regulatory Commission (NRC) and NRC representative to the Interagency Committee on Dam Safety (ICODS). Our previous representative to the ICODS, Ms. Jill Caverly, has been selected for another position, within NRC, which prevents her from continuing to be the agency's representative to the ICODS. We are seeking a permanent replacement for Ms. Caverly and I will inform you when that position has been filled.

If you have any questions about this action, please contact Mr. Martin by telephone at (301) 415-7254, or by e-mail to dem1@nrc.gov.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,

/RA/

Luis A. Reyes
Executive Director
for Operations
