Dear Dr. Dauto:

SUBJECT: Inspection Report

This letter is in reference to the inspection conducted on March 2, 2005 by Stephanie Kirkner of the Department of Environmental Protection's Bureau of Environmental Radiation of activities authorized by New Jersey State Radioactive Materials License **20804/01** and to the discussion of the inspection findings with Ms. Evelyn O'Donnell and Rebecca Digati at the conclusion of the inspection.

The inspection was an examination of activities conducted under your license as they relate to radiation safety and compliance with NJSA Title 26:2D the Radiation Protection Act, NJAC 7:28 the Radiation Protection Code and to conditions of your State Radioactive Materials License. The inspection consisted of selective examinations of procedures and representative records, interviews with personnel and measurements and observations made by the inspector.

Within the scope of this inspection, no items of noncompliance were detected.

No reply to this report is required. If you should have any questions concerning this inspection or any related matter, please contact this office at 609-984-5462.

Sincerely,

William Czarzar, License Administrator
