Subject: Removal from Administrator Contact			
<p>Summary:</p> <p>I talked to Dr. Robert Saporido, M.D. that the NRC is requesting a administrator be named to represent Bergen Diagnostic Management Nuclear, LLC License No: 29-28049-01 as Dr. John Pantazopoulous no longer wishes to be the administrator on the license. I requested that he fax me a signed letter making the statement on who would be accepting the responsibility as the administrator of Bergen Diagnostic Management Nuclear, LLC Material License.</p> <p>He stated that he would check with his attorney to see if it was appropriate to accept the responsibility as the administrator of the license. He expected that he would be able to fax a letter within 24 hours.</p> <p>I asked if the Radiation Safety Officer, Dr. Robert Baklajian, M.D. was part of Bergen Diagnostic Management Nuclear, LLC and was still active. Dr. Saporido stated that Dr. Robert Baklajian, M.D. was still active in his duties as the RSO.</p>			
Action Required/Taken: Dr. Saprdo would consult with his attorney and fax us a letter.
