re: Byproduct material license numbers 37-01861-01 and 37-01861-02
Control Numbers 133062 and 133063

Dear Dr. Lodhi:

This is to inform the Nuclear Regulatory Commission of the merger of ISG and Mittal Steel, which has resulted in a name change from International Steel Group to Mittal Steel USA. The merger has resulted in no source inventory, operational or personnel changes and all aspects of the two licenses remain the same, including key personnel (those named on the license and those in management positions). All records required by regulation or the license will continued to be maintained by Mr. Anthony LaMastra, the present RSO, at the Bethlehem Research facility, Room 125, 112 Research Drive, Bethlehem, PA 18015.

Should you have any questions in this matter, please contact Mr. LaMastra at 610-756-4153 or via e-mail at alamastra@enter.net.

Sincerely yours,

Anthony LaMastra, RSO
Certified Health Physicist
