

TELEPHONE CONVERSATION RECORD	Date: May 13, 2005	Time: 10:50
Mail Control No.: N/A Inspection No.: N/A	License No.: SNM-343	Docket No.: 070-00374
Person Called: John J. Tudor, Ph.D., Radiation Safety Officer	Licensee: St. Joseph's University	Telephone No.: 610-660-1821
Person Calling: Steven Courtemanche/(610) 337-5075		
Subject: Non-receipt of renewal application.		
<u>Summary:</u> I left a message on Dr. Tudor's voice-mail for him to get back in touch with me.		
13:00 Dr. Tudor returned my phone call. He informed me that he is in the process of requesting that the license be terminated. The source was sent to Los Alamos in the fall. I requested that the termination request be sent in as quickly as possible since the licensee is in technical violation of the regulations (not having sent in a request to renew or terminate the license within thirty days of the expiration date of the license) and the license expires on May 31, 2005. Dr. Tudor stated that he would complete the application and send it in today. I thanked Dr. Tudor for his attention to this matter.		
Action Required/Taken: Place into ADAMS.
