Re: Material License, 45-18460-01 (the "Permit") Issued by U.S. Nuclear
Regulatory Commission to Global Stone Chemstone Corporation (the
"Company").

Dear Sir or Madam:

This letter is notification that effective May 1, 2005, the Company will change its legal name to O-N Minerals (Chemstone) Company. This is a name change only. There has been no change of control, merger, sale or other disposition of any interest in the Company. The Company remains a wholly-owned subsidiary of its ultimate parent, the Oglebay Norton Company and will continue to conduct its operations authorized under the Permit in the same manner as they have previously been conducted.

We are making this name change for marketing purposes only in order to represent our limestone operations as an integrated portfolio of assets that can serve markets and customers across the Great Lakes, Mid-Atlantic and Southeast regions.

Please incorporate this change into your agency's records and telephone the undersigned at (540) 465-5161 if you have any questions or require additional information, please contact me or Mark Hevener.

Sincerely,

Karl D. Everett
Environmental, Health & Safety Manager
