RE: Application renewal

Dear Mr. Turkanis:

We received your application for the renewal of the Radioactive Materials License Number MD-31-025-03. The submission of your application will permit us to continue your current license in effect until action has been taken by this office on the application.

This letter does not grant approval of any changes in radiation safety procedures, radioactive materials or possession limits. If such changes have been requested, they must await final approval from this office in form of a license renewal. Should you have any questions please contact Messrs. Nathaniel Owrutsky, Douglas McAbee, or me at (410) 631-3302 or toll-free 1-800-633-6101 and requesting extension 3302.

Sincerely,
