Re: Notification of Transaction between Inova Health System Foundation and Loudoun Healthcare, Inc. and Loudoun Hospital Center

Dear Sir/Madam:

030 11672
This letter serves as notification of the transaction between Inova Health System Foundation ("Inova") and Loudoun Healthcare, Inc. ("LHI") and Loudoun Hospital Center ("LHC"). This notice is required because LHC currently holds a license with the U.S. Nuclear Regulatory Commission (License No. 45-16806-01).

The transaction referenced above is structured as follows: LHC is organized as a non-stock corporation under the laws of the Commonwealth of Virginia. Under Virginia law, non-stock corporations do not have shareholders; rather, non-stock corporations may have members, who are entitled to exercise certain management powers with respect to non-stock corporations, which powers are similar to those exercised by shareholders for stock corporations. In the case of LHC, its sole member was Loudoun Healthcare, Inc., which is another Virginia non-stock corporation. As a result of the transaction referred to above, LHC now has two members. Loudoun Healthcare, Inc. remains as one member, and Inova Health System Foundation, also a Virginia non-stock corporation, is another member. Although the organizational structure of LHC has changed, LHC remains a separately existing Virginia non-stock corporation. LHC will continue to operate as a hospital in the same manner that it has been operating. At this time, no plans exist to change the hospital's staffing. It is likely that within one year from the closing of the transaction, LHC's name will be modified to reflect the affiliation with Inova. To the extent it is necessary to state, Inova agrees to abide by all terms and conditions of the current NRC License No. 45-16806-01.

If you have any questions about the transaction described above, please call Deirdre Cahill at LHI. Ms. Cahill's telephone number is (703) 858-6670.
