OF CESSATION OF ACTIVITIES AT A SITE, CONTROL NO. 136958

Dear Mr. Jensen:

This refers to your letter dated April 25, 2005, informing this office of cessation of licensed activities at USDA's Agricultural Research Services' U. S. Grain Marketing and Production Research Center in Manhattan, Kansas. Your letter is accepted as the notification required by 10 CFR 30.36(d). You must maintain records of disposition of licensed material as well as of radiological surveys to demonstrate that the facilities met the NRC criteria for release of facilities for unrestricted use. These records may be reviewed during a future NRC inspection of your activities.

We appreciate your cooperation with us.

Sincerely,
