Subject: NRC Special Inspection Team Members

Bryan,
The following is the list of the members of the NRC Special Inspection Team that will be arriving to review the Millstone Unit 3 reactor trip. The majority of the inspection is planned for all of next week but the team lead (Scott Barber) will arrive tomorrow and be here for a couple of days and then return next week.

They are trying to arrange for the team to travel on Sunday, get badged early Monday morning, and have the Inspection Entrance Meeting at about 0800 on Monday with the Millstone senior management team.

Team Leader
Expected arrival 4/20/05
G. Scott Barber

Full Time Team Members
Expected arrival 4/25/05
Joseph G. Schoppy
Thomas P. Sicola
Donald E. Jackson

Part Time Team Members
Expected arrival 4/25/05
Nicole S. Sieller
Ronald L. Nimitz
Wayne L. Schmidt

Please note that the last two names may be able to complete their portion of the inspection over the phone and may not actually travel to the site.

If you have any questions, please contact me.
Bill
