Mr. Michael J. Mosley, Project Engineer
Assistant Transportation Coordinator
Site and Transportation Services
NAC International
3930 East Jones Bridge Road
Norcross, GA 30092

SUBJECT: NOTICE OF EXPIRATION OF HIGHWAY ROUTE TO TRANSPORT SPENT
NUCLEAR FUEL FROM CHARLESTON, SC, TO AIKEN, SC (NRC ROUTE
NO. 210)

Dear Mr. Mosley:

I am writing to inform you that U.S. Nuclear Regulatory Commission Route No. 210 will expire on September 17, 2005. This approved route is for the transportation of spent nuclear fuel by highway from the Naval Weapons Station, Charleston, South Carolina, to the Department of Energy's Savannah River Site, Aiken, South Carolina. Transporting spent nuclear fuel utilizing this route will no longer be approved after the expiration date stated above without a route approval renewal.

If you allow the current route approved to expire but intend to use this route in the future, please submit a request to renew the route approval at least 90 days before you intend to use the route. In submitting your request, please verify that all contact information is correct and up-to-date. Upon request, a standard format and content guide can be provided for use in submitting your renewal request. Please feel free to contact me at 301-415-6623 or at pkp@nrc.gov; or Ms. Gloria Bennington at 301-415-8183 or at gmb@nrc.gov, if you have any questions.

Sincerely,

/RA/
