Paul H. Lohaus, Director
Office of State and Tribal Programs
U.S. Nuclear Regulatory Commission
Washington D.C. 20555-0001

Dear Mr. Lohaus:

Effective immediately, Ken Niles replaces David Stewart-Smith as my designee for the State of Oregon for the following duties:

- The state official designated to receive advance notification of transportation of certain shipments of nuclear waste and spent fuel through the state.
- The state official designated to receive information from the NRC and its licensees concerning post September 11, 2001 enhanced safeguards and security guidance and requirements pertaining to advanced shipment notifications and activities during various threat conditions.
- The State Liaison Officer to the NRC.

Mr. Niles is the Assistant Director at the Oregon Department of Energy, 625 Marion Street NE, Salem, OR 97301-3737. Ken can be reached by phone at 503-378-4906, fax 503-378-6457 or ken.niles@state.or.us.

Sincerely,

Theodore R. Kulongoski
