

Board Notification: 2005-03  
Docket No. 70-3103

June 14, 2005

MEMORANDUM TO:           Administrative Judge G. Paul Bollwerk, III  
                                  Presiding Officer  
                                  Atomic Safety and Licensing Board

                                  Administrative Judge Paul B. Abramson  
                                  Atomic Safety and Licensing Board

                                  Administrative Judge Charles N. Kelber  
                                  Atomic Safety and Licensing Board

FROM:                        Scott C. Flanders, Deputy Director   /RA/  
                                  Environmental and Performance  
                                  Assessment Directorate  
                                  Division of Waste Management  
                                  and Environmental Protection  
                                  Office of Nuclear Material Safety  
                                  and Safeguards

SUBJECT:                    NEW INFORMATION RELEVANT AND MATERIAL TO  
                                  LICENSING BOARD PROCEEDING IN THE MATTER OF  
                                  LOUISIANA ENERGY SERVICES, L.P., NATIONAL  
                                  ENRICHMENT FACILITY

In conformance with the Commission's policy on notification of the Atomic Safety and Licensing Board of new, relevant, and material information, this memorandum provides the information discussed below.

The attached Final Environmental Impact Statement for the Proposed National Enrichment Facility in Lea County, New Mexico, NUREG-1790, issued by the staff of the U.S. Nuclear Regulatory Commission (NRC), presents the results of the NRC staff's environmental review related to the construction, operation, and decommissioning of a proposed gas centrifuge uranium enrichment facility near Eunice in Lea County, New Mexico.

This information is being brought to the attention of the Board and all parties, as it is relevant and material to issues pending before the Board.
