

VOID SHEET

TO: License Fee Management Branch

FROM: RIII - James R. Mullauer

SUBJECT: VOIDED APPLICATION

Control Number: 314337

Applicant: Consumers Energy Company

License Number: 21-08606-03

Docket Number: 03004868

Date Voided: April 29, 2005

Reason for Void: In a telephone discussion with the RSO, Russell Rotta, it was learned that it was not his intention to name an Assistant RSO on the license. He just wanted the resume of a certain individual to be on file. As explained by the reviewer, NRC does not have specific procedures or requirements for an Assistant RSO position and does not require such a position. The reviewer gave the licensee the option of providing specific duties and responsibilities of the ARSO or to have NRC void the request. The licensee opted that the action be voided since it was not his intent to have any specifically named individual on the license as ARSO.
