Dear Mr. Rahimi:

Subject: 10-160B SAR

As you noted when we last discussed the 10-160B SAR changes Duratek submitted, the Table of Contents (TOC) needed to be changed. Enclosed are the pages of the TOC that were changed to reflect the addition of the appendix to Chapter 5, i.e., pages viii and ix. Also enclosed is a new cover page. Please replace the respective pages in your SAR with these pages.

Should you or members of your staff have questions, please contact me at (803) 758-1898.

Sincerely,

Mark Whittaker
Sr. Analyst – Engineering and Licensing

Enclosures: As stated
